Dear Colleagues,

Scientific Co-Chairs

Kai-Uwe Eckardt
(Germany)

Ton Rabelink
(Netherlands)

We are excited to announce the 2nd Nephro Update Europe taking place October 5–6, 2018 in Budapest!

Our premiere in Vienna received an EXCELLENT rating from participants with regards to lecture content, congress organization and the take-home compendium! Thank you to the over 300 delegates who participated!

In 2018, we are thrilled to again provide a highly educational two-day congress – 14 European experts offering comprehensive and practical updates on all recent developments across the broad spectrum of nephrology.

There will be many opportunities for interaction: Speaker's Corners, open discussions during lectures, and more Interactive Case Discussions! Submit an ePoster, save on the registration fee and share your research with colleagues!

Budapest is a vibrant and dynamic city to visit. The congress venue is located on the banks of the Danube, in the city centre, making it easy to access and great for sightseeing after the lectures are finished for the day.

We hope you will join us next October in Hungary for this exciting and professionally-rewarding experience.

Sincerely,

Kai-Uwe Eckardt

Ton Rabelink
